Bus Charters & Tours

As an experienced provider of incoming group tourism, we are your competent partner for customised group tours throughout Europe. Our dedicated team plans and organises individual programmes for tour operators, travel agencies, clubs, companies, schools and groups of senior citizens. Thanks to our extensive network and our excellent contacts to hotels, sights, restaurants, mountain railways, leisure attractions and cultural sites, we offer unique experiences and in-depth insights into the diversity of European countries.

Not only do we offer the complete travel package, from planning and booking accommodation and restaurants to individual activities such as city tours or culinary events, but we can also provide just the right vehicle for your group - from a limousine to a double-decker bus. Our flexibility allows you to organise the start of the trip and the departure point according to your wishes. Our experts will advise you on the best duration of your journey, the most efficient route and the vehicle that suits you best to ensure a stress-free and enjoyable trip. Whether nature, culture, culinary delights or adventure - we will organise your trip according to your wishes and ensure unforgettable experiences. Put your trust in our expertise and make every group trip a special experience.
