# Bus Transfers & Excursions for River Cruises

## Domo Advantages:

We take care of the complete organisation of your coach logistics - from planning and booking to implementation. Whether airport or train station transfers, guided city tours or customised day trips - we offer you the right solutions for your guests. Our modern vehicles and experienced drivers ensure a relaxed and enjoyable journey. Whether it's a short trip between the port and the city centre or an overland journey of several hours to cultural highlights, we ensure that your guests travel in comfort and safety.

Our services are aimed at cruise lines, tour operators, travel agencies and tourism organisations who want to offer their guests a carefree and high-quality travel experience. We customise our offers to individual requirements and provide comprehensive advice on the best options for your route. Even in the event of unforeseen changes, such as weather conditions or closures, we quickly find flexible solutions to ensure that your journey runs smoothly. We also organise tailor-made tours before and after the cruise so that your guests can make the most of their trip. Whether it's an exciting city tour before embarkation or a relaxing excursion afterwards - we will organise the travel experience according to your wishes.

- ✓ **Comfortable transfers:** We organise smooth arrival and departure transfers between the airport, train station or hotel and the riverboat.
- ✓ **Flexible shore excursions:** Our coaches are available for guided city tours, day trips and individual experiences along the route.
- ✓ **Shuttle services:** Regular shuttle buses take your guests comfortably from the landing stage to the city centre or to special attractions.
- ✓ **Alternative transport solutions:** In the event of high or low water, we take care of the safe and efficient onward transport of guests to the next possible embarkation point.
- ✓ **Tailor-made programmes:** We create customised tours according to your wishes, whether city tours, culinary experiences or nature explorations.
- ✓ **Pre- & Post-Cruise-Tours:** Complement your guests' cruise experience with customised pre- or post-cruise tours.
- ✓ **Optimum journey duration & stress-free arrival:** Our experts plan the ideal journey time for a relaxed travelling experience.
- ✓ **Suitable vehicle selection:** From comfortable coaches to VIP transfers - we will find the right means of transport for your guests.
- ✓ **Customised vehicle design:** Upon request, we create a bespoke vehicle design with personalised lettering tailored to your wishes.
